THE HONORABLE DENNIS CARDOZA
P.O. Box 2749
Merced, CA 95344

Dear Congressman Cardoza,

On behalf of **Crime Victims United of California (CVUC)**, it is my pleasure to inform you of our endorsement for your re-election to the 18th Congressional District.

As you know, CVUC is a bi-partisan, statewide organization comprised of victims of crime, law enforcement officials, legal professionals and others who work to protect and enhance public safety. These professionals, along with CVUC, work to promote effective crime reduction measures and strengthen the rights of crime victims. Based on your interview and/or strong philosophical support for our issues, we have unanimously endorsed your campaign.

You may use the name of "**Crime Victims United of California**" as an endorser for your campaign, however we ask that we receive a copy of each usage on all printed materials for our approval and files.

We look forward to your victory and appreciate your support for the victims of crime. Please do not hesitate to contact me directly or Board Member Pam Woudstra at (209) 471-2822 if you have any questions.

Sincerely,

Harriet Salarno
